

North Yorkers for Disabled Persons

Re: COVID-19 Restrictions and Vaccinations

Currently, North Yorkers is working in conjunction with several healthcare providers in order to acquire COVID-19 vaccinations. We are in the process of securing vaccines for our residents and staff, and we will individually notify stakeholders of North Yorkers once this has been confirmed.

The ethical framework for the COVID-19 vaccine that was put out by the province gave priority to Long-Term Care (LTC) residents and staff. North Yorkers is not LTC, but we are a congregate setting and therefore considered a priority group.

North Yorkers continues to follow the provincial guidelines of lockdown, and we are not allowing visitors at this time. We will continue to provide updates on any further restrictions as outlined by the province.

We will keep all stakeholders informed of any changes to our situation at 2880 Bayview, and if you have any questions or concerns please do not hesitate to call the office at (416) 222-4448.

Sincerely,
Cathy Samuelson
