

Thank you Bobbi!

North Yorkers and the Communication Enrichment Class would like to give a big thank you to one of our class facilitators, Bobbi Moore!

Bobbi graciously joined our class at the beginning of the COVID-19 pandemic, when we transitioned to being online. She has been an excellent resource, facilitator, and friend to all of us in the class, and we are very grateful for all of her efforts over the past year.

The participants of class wanted to send their own Thank You messages to Bobbi;

Hi. I like Bobbi. I like to listen to her. She makes me feel good. Sometimes she makes me laugh when she has trouble with her computer. ~ Irene

Bobbie is wonderful to help with the class every week. I enjoy her sense of humour. She is very lovely person to get to know. I am glad I have met her. ~ Carolyn

I would like to pass my sincere gratitude to Bobbi, for her hard work she has given us to enlighten our knowledge and entertain us continuously. Thank you for all the work you do Bobbi, I appreciate you very much.
