

**North Yorkers for Disabled Persons, Inc.**

**March 14, 2022**

To all of our families, friends and stakeholders,

The residents and staff at North Yorkers for Disabled Persons (NYDP) hope you are all having a good 2022, thus far. As we continue to see Covid-19 cases declining, the province of Ontario has announced that all restrictions will be lifted by the end of April. However, we at NYDP will remain vigilant in ensuring a safe home and workplace. We will continue to enforce a mask mandate for all staff and visitors, and we will continue with a dedicated Infection Prevention and Control (IPAC) staff member that works diligently to protect both staff and residents of NYDP.

We will follow the Ministry of Health recommendations for all Covid-19 related protocols, but we will amend any as we see fit, to ensure the safety of all. Our Communication Enrichment Class will remain online, with classes every Tuesday and Thursday, and we are now able to allow two visitors at a time per visit.

We are committed to the health and safety of all of our tenants as they reside in a congregate space. We hope to that things will continue improving, however, please work with us in recognizing that things may change as we progress into an uncertain spring/summer.

The support we have received from family members and friends does not go unnoticed. We will continue to keep all of our stakeholders informed of any updates or changes to our situation at 2880 Bayview. If you have any questions or concerns, or would like more information, please do not hesitate to call the office at (416) 222-4448.

Sincerely,

Cathy Samuelson

Executive Director- North Yorkers for Disabled Persons, Inc
